Hi, I'm Molly. I'm 10 and I live in England. When spring comes, we celebrate May Day. We decorate a wooden pole with flowers and ribbons. This pole is called Maypole.

Then, we dance our traditional dance around it. It is a very important day for all children. We also choose a May Queen – a young girl wearing a white dress. Women and men also perform Morris dance in special clothes.

It is a real fun! You should come and take part some day!
