

Walking in Britain

Level: upper-intermediate (B2)

Time: 45 minutes

Aims:

- To learn about different places in England
- To learn about conservation issues
- To learn about different species
- To calculate budgets and measure distances
- To look for specific information in the internet
- To transfer the information – project Webquest.

Language functions:

- To describe places, objects, species
- To plan and analyze
- To read for specific information
- To calculate and measure
- To use the research to write an article.

CLIL: Maths, Geography and Biology.

Materials: web pages, worksheet A – map.

STAGE	AIMS	PROCEDURE	TIME	MATERIALS
Warm-up activity	To provide students with introduction to the topic	Ask your students if they like walking and if they have their favourite place to walk/ hike. Next ask your students if they have ever been on a walking trip. If so, where and when. If not, tell your students that today they are going on different walking tours around Britain.	2-4 min	
Main part of the lesson	To introduce the project. To get students interested. To work with web pages. To look for specific information. To transfer the information.	1. Introduction to the project. Show your students a map of chosen places in Britain and ask them what they might expect to see and experience there. Write some of the ideas on the board. Next tell your students that they are going on different walking tours in England. Give your students Worksheet A – a map with different places.	5 min	Pictures
		2. Task Divide your students into 7 groups (2 students per one place or in case of smaller groups, each student can work on their own). Each group has the same task to do- find the information about one place from the map. Each group has to choose a different place. Tell your student that they have to calculate their budgets (how much money they need), they need accommodation, meals (evening meals in restaurants etc.). Give your students worksheet B with some guidance for their trip and some web pages they may find useful while looking for the information. Give your students about 20-25 minutes to do this task.	20-25 min	Web pages Worksheet A and B
		3. Presentation After 20-25 minutes, each group should present their answers and information they were able to find in the internet.	8-10 min	

Walking in Britain

Wrap-up	Project - webquest	Tell your students that they will prepare a webquest on this topic- a walking/ hiking tour in Britain on the basis of the information they found during the lesson. The students may have 2-3 weeks to prepare the webquest in the same groups they were working during the lesson.	2-3 min
