Animals and their bodies

Listen to the song and complete the missing words.

"Man Gave Names To All The Animals" Jason Mraz

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time ago.

He saw an animal that liked to growl
Big furry paws and he liked to howl
Great big furry back and furry hair
"Ah, think I'll call it a bear".

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time ago.

He saw an animal up on a hill
Chewing up so much grass until she was filled
He saw milk coming out but he didn't know how
"Ah, think I'll call it a cow".

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time ago.

He saw an animal that liked to snort
Horns on his head and they weren't too short
It looked like there wasn't nothing that he couldn't pull
"Ah, I'll think I'll call it a bull".

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time ago.

He saw an animal leaving a muddy trail
Real dirty face and a curly tail
He wasn't too small and he wasn't too big
"Ah, think I'll call it a pig".

Animals and their bodies

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time ago.

Next animal that he did meet
Had wool on his back and hooves on his feet
Eating grass on a mountainside so steep
"Ah, think I'll call it a sheep".

Man gave names to all the animals
In the beginning, in the beginning
Man gave names to all the animals
In the beginning, long time ago.

He saw an animal as smooth as glass
Slithering his way through the grass
Saw him disappear by a tree near a lake .....

Ah, I think I'll call it a snake.
