The Travelling Song

(MADAGASCAR 2)

I've been around the world, in therain
Feeling out of place, feelin' kinda strange
Take me to a where they know my name
'Cause I ain't met nobody that looks the same

I'm a fish out of, lion out of the jungle
(He a fish out of water, lion out of the jungle)
I need my peoples, my peoples, take me to my peoples
(He got jungle fever, show him some love, show him love)

Just gotta have someone, gotta have someone
Toto, to relate to
(I found my breath before)
Just gotta have someone, gotta have someone
To relate to, to relate to
(I found my breath before)

See I been traveling, been traveling.....
But now that I found a home, feels like I'm in heaven
See I been traveling, been traveling forever
But now that I'm home, feels like I'm in heaven

See I been traveling, been traveling forever
But now that I a home, feels like I'm in heaven
Feels like I'm in heaven, feels like I'm in heaven
Feels like I'm in heaven, feels like I'm in heaven, heaven

Travelin' the world like a touring man
Been around the in a foreign land
I've seen things that I thought I'd never see
Take me to a place where they look like me

I'm a lion out the jungle, fish out of the ocean
(He's a lion out the jungle, fish out of the ocean)
I need my peoples, my peoples, take me to my peoples
(He got jungler, show him some love, show him love)

Just gotta have someone, gotta have someone
To relate to, to relate to
(I found my breath before)
Just gotta have someone, gotta have someone
To relate to, to relate to
(I found my breath before)
