#### SUB- SAHARAN AFRICA

Which countries need the most support?

You are working for a charity organization and you would like to support economic and social development of Sub – Saharan African Nations. Funds are very limited this year so they must be spent in the 2 countries of greatest need. At a meeting about how to distribute funds, it was decided that more information was needed before this could be done effectively. An action plan was made to divide the committee into teams. Each team would investigate a Sub – Saharan African nation to determine what support it needs. Then it will be decided how to distribute the funds
