SUN TAN OPINIONS

In pairs, discuss whether you agree or disagree with the following opinions:

A sun tan looks supercool and healthy.

What a waste of time and money for something that fades in a week.

Governments are irresponsible in not regulating sun tan salons.

There are risks, but it's a personal choice.

White westerners are strange to want to change their skin colour.

The fashion and cosmetics industry is to blame for advertising tanned skin as being healthy.

There is enough public information for people to know the dangers.

Parents should never allow their 13-year-old daughters to go to tanning salons.

There are plenty of tan-in-a-bottle cosmetics that give you a tanned look.

Sun worshippers are crazy.
