

Poland's tourist attractions

Worksheet 1

WEBQUEST

Adventure Holiday in Poland

STUDENT INTRODUCTION

Your friends from England are coming over to Poland for 8 days and they want to have a holiday of their lifetime. They have never been to Poland and they asked you a few questions about your homeland and also to plan their trip. Using the Internet you will have to gather all the necessary information, plan their trip and count the cost of the whole venture.

1. Find information on each of the below themes

Each pair of students will have to focus on one of the above themes.

LOCATION	
CLIMATE	
NATURE	
CULTURE	
PEOPLE	

As the result of your Internet research, write some information in the table and then present it to the rest of the class.

Poland's tourist attractions

Worksheet 1

2. Planning your journey

- you have to decide which places you would like your friends to visit (remember you only have 8 days)
- how many days you would like them to spend in each place
- list the attractions to see
- find a place to stay
- think of some good restaurants on the way
- find a flight connection from England
